Assign Your Sample Activity [HERE!](#) - Tutorial

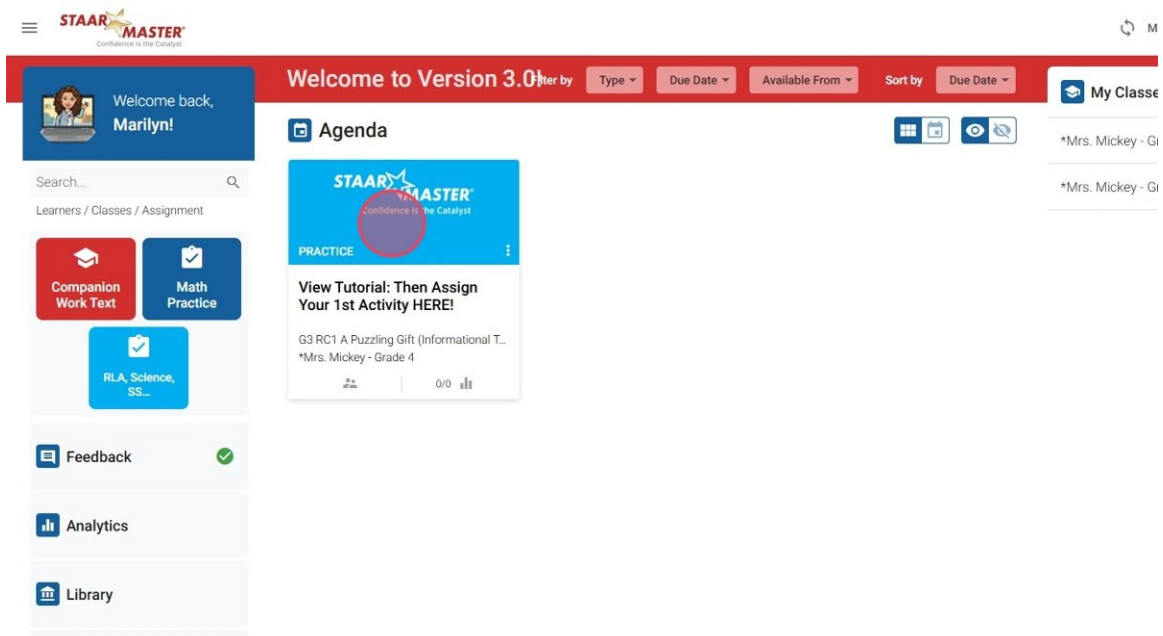

1. Welcome to your STAAR MASTER Interactive dashboard! When you first logged in, you likely saw a sample assignment ready for you to assign to your students. This assignment was designed to help you and your students become familiar with STAAR MASTER Interactive.

The screenshot displays the STAAR MASTER Interactive dashboard. At the top, a red header bar contains the STAAR MASTER logo on the left and a user profile icon on the right. Below the header, a blue sidebar on the left features a 'Welcome back, Marilyn!' message, a search bar, and navigation links for 'Learners / Classes / Assignment', 'Companion Work Text', 'Math Practice', 'ELA, Science, SS...', 'Feedback', 'Analytics', and 'Library'. The main content area has a red banner that says 'Welcome to Version 3.0!'. Below this, there's an 'Agenda' section with a 'PRACTICE' card. The card includes the STAAR MASTER logo, the text 'View Tutorial: Then Assign Your 1st Activity HERE!', and details about a sample assignment: 'G3 RC1 A Puzzling Gift (Informational T...' and '*Mrs. Mickey - Grade 4'. To the right of the main content, there's a 'My Classes' section listing two classes: '*Mrs. Mickey - Gi' and '*Mrs. Mickey - Gi'.

-
2. If you prefer not to use this assignment, simply click the three dots on the card and select "Hide" or "Delete" to remove the card from your dashboard.

-
-
3. To activate your sample assignment, click on the assignment card.

4. Your Assignment Editor pop up will appear. To deploy this activity, we need to first assign your learners. To select particular students, click the red SELECT button to the right.

6. Then click confirm.

The screenshot shows a 'Select Learners for the Assignment' dialog box. At the top, it says 'Type to search' with a magnifying glass icon. Below this is a table with columns: First name, Last name, E-mail, Availability Date, and Due Date. The table lists four learners: Marilyn Mickey (checked), Hamish Moir (checked), Manny Vasquez (unchecked), and Crystal Hernandez (unchecked). At the bottom right of the dialog, there are 'CANCEL' and 'CONFIRM' buttons. The 'CONFIRM' button is highlighted with a red circle. Below the dialog, the main interface shows 'Learners Selected: 2' and a list of assignments, including 'G3 RC1 A Puzzling Gift (Informational Text/Procedural) SPB (English)'.

7. If you prefer to assign the task to all of your students, simply select "All Learners in the Class," and every student will see this activity on their dashboard.

The screenshot shows the 'RLA, Science, SS Practice' assignment page. Under the 'Classes & Learners' section, the 'Assign to' dropdown is set to 'All Learners in the Class', which is circled in red. Below this, there are checkboxes for 'Notify New Learners' and 'Notify Learners when assignment is deleted'. The 'Assignment & Title' section shows the assignment title 'RLA SPB Grade 3 RC1 (English)' with a 'STAAR 4 MASTER' logo. At the bottom, there is a 'Default Access Code' field and a list of assignments, including 'G3 RC1 A Puzzling Gift (Informational Text/Procedural) SPB (English)'.

10. In the Analytics section, choose the report generator for the appropriate subject. This will be the same color as your assignment card.

The screenshot shows the STAAR MASTER Analytics dashboard for Mrs. Mickey - Grade 4. The dashboard is divided into four sections, each with a report generator button:

- Analytics for Math Practice** (blue background): Overview of students' progress in Math Practice. Reports for: Math Student Practice Book, Math Practice Test, Math Quick Review. **REPORT GENERATOR** button.
- Analytics for Learning** (red background): Overview of students' progress in Learning. Reports for: Math Companion Work Texts, PLA Companion Work Texts. **REPORT GENERATOR** button.
- Analytics for Practice** (blue background): Overview of students' progress in Practice. Reports for: PLA Practice Test, PLA/Science/SS Student Practice Book. **REPORT GENERATOR** button.
- Activity** (yellow background): Check which students have been active on the platform. A donut chart shows 245 RISKS. **REPORT GENERATOR** button.

11. The Report Generator has up to six different reports to choose from. Select the report you want to view by clicking the "Generate Report" banner. For more detailed instructions about how to view reports, please view the support video covering this topic.

The screenshot shows the STAAR MASTER Report Generator interface for Mrs. Mickey - Grade 4 - Analytics: Analytics for Practice. The interface displays three report categories, each with a 'GENERATE REPORT' button:

- 1. Class Progress**: This is a large report that takes time to load. It won't be prepared until you click GENERATE REPORT. **GENERATE REPORT** button.
- 2. Targeted Objectives for Reteaching**: This is a large report that takes time to load. It won't be prepared until you click GENERATE REPORT. **GENERATE REPORT** button.
- 3. Gradebook Score**: This is a large report that takes time to load. It won't be prepared until you click GENERATE REPORT. **GENERATE REPORT** button.

12. To return to the dashboard, click the three parallel lines in the upper left corner of your screen.

The screenshot displays the STAAR MASTER dashboard for Mrs. Mickey's Grade 4 class. The interface is divided into several sections:

- Header:** Includes the STAAR MASTER logo, a navigation menu (three parallel lines), and the user's name, Marilyn Mickey.
- Left Sidebar:** Contains a search bar, a list of learners/classes/assignments, and a sidebar menu with options: Companion Work Text, Math Practice, RLA, Science, SS..., Feedback, Analytics, Library, and Tutorial Support.
- Main Content Area:**
 - Your Practice Analytics:** Provides an overview of class performance, listing assignments like RLA Practice Test, RLA Student Practice Book, Science Student Practice Book, and Social Studies Student Practice Book. It includes instructions on how to use the 'Class Progress' and 'Targeted Objectives for Reteaching' reports.
 - 1. Class Progress:** A report that takes time to load, with a 'GENERATE REPORT' button.
 - 2. Targeted Objectives for Reteaching:** A report that takes time to load, with a 'GENERATE REPORT' button.
